

DISCOUNT BART TICKETS FOR STUDENT COMMUTERS

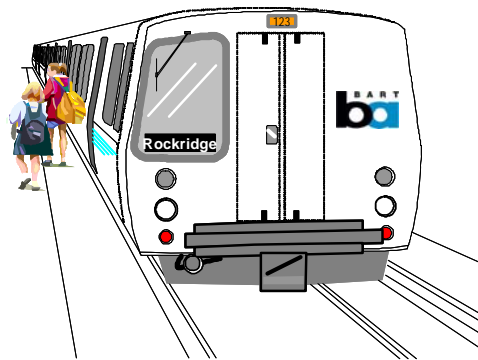

Students at the College Preparatory School between the age of 13 and 18 qualify for BART discount tickets that can be used Monday through Friday for travel to and from home and school or school-related activities.

Tickets are a \$32 value and are sold for \$16 through the school.

Two options of BART ticket purchase are available: Direct purchase through the School BART Program Coordinator or Internet Purchase

For the convenience of the student commuters, the school provides a morning and after-school complementary shuttle service between Rockridge BART station and the School.

More details on how to apply for the discount BART tickets and the shuttle bus service will be available during the summer months.

Any questions please contact Faith Chia at
